ENGAGE

.....
What questions do you have for God? What is it that you wish God would give you an answer to? Would having the answer change your relationship with God? Would it change your faith and trust in God? Do you accept the definition of faith given in Hebrews 11:1? Are you living for and following God's direction as given to you in God's Word? Are you spending enough time in God's Word to know how to follow Him? Jesus called, "Come follow me..." , How are you doing at following? Have you experienced the victory of faith in Jesus Christ?

Personal Challenge: *How does your life reflect the faith that you have in Jesus Christ? If faith without works is dead; what do your works show?*

Set aside time to evaluate how your "works" are showing your faith to others.
